Youth Art Enrichment Programs

Arts on Main is pleased to offer art education for young, local artists. Two signature programs are **Palette Pals**, a before-school program that provides art education with a STEM (Science, Technology, Engineering, and Math) focus to students in all five Gloucester County elementary schools, reaching over 3,000 students. In the summer, Arts on Main continues its youth art programming by providing **free summer camps** for young local artists. In the summer of 2023, we hosted six weeks of camps, with two weeks dedicated to pre-school (ages 3-5), elementary school (ages 6-10), and middle school (ages 11-14).

Monthly First Friday Exhibit Sponsor

11 annually @ \$500 ea.

First Fridays are a monthly reception to mark the opening of each new 30-day exhibit in our front gallery. These events feature music, art, food, drinks, and good company. Staff was recently told that our First Fridays were the best in the area, and guests come from Gloucester, Mathews, Williamsburg, Yorktown, and surrounding areas. Exhibit Sponsors support the First Friday programming as well as the exhibit itself.

Monthly First Friday Music Sponsor

11 annually @ \$150 ea.

First Friday Music Sponsors support live music that is performed at the monthly First Friday reception. Musicians and bands are usually local and range in genre. Having live music contributes to Arts on Main's mission of providing a creative environment for the arts to flourish by embracing musical art while also adding a fun and festive atmosphere to the reception.
